Landscape of landscapes – created the Creator -, this is an often used description of the Salzkammergut. Crystal clear lakes, framed by majestic, high mountains. St. Wolfgang i. Salzkammergut is located at the eastern shores of Lake Wolfgang. It is one of Europe's most popular areas, 45 km east of Salzburg. Emperors, kings and heads of state have relaxed here from the stress and frantic pace of everyday life.

„GRÜNE AU“ retreat is located in the midst of this charming mountainous region. This facility enables you to relax and enjoy yourself. Many rooms offer a gorgeous view facing the lake, the mountains and divers nature.

It is important to us to allow for a spiritual atmosphere. If you are searching for a period of relative calm and a chance to relax, this area will help you find rest for body, soul and spirit. Our well maintained facility is open all year round, 365 days.

Especially suitable for Christian church groups, house groups, but also for families and individual guests as well as for all types of sportsmen and sports-women.

Our facility is a **self-catering retreat**.

There is no smoking in house and we prefer that alcohol should not be consumed.

There are 15 rooms with 1 to 4 beds (a total of 36 beds) and 2 rooms with 10 additional beds in the attic.

The lounge has will seat up to 45 people and the club/ children's room approx. 15.

There is also a common kitchen, washing machine and dryer, ironing equipment, car park, table tennis and trampoline.

The two **holiday apartments** in the main house have 6 beds each.

Holiday bungalow „GRÜNE AU“ is located on a rocky slope next to the main building. Twenty-nine steps meander their way up a steep slope through a natural forest to the plateau.

It is fully furnished and can accommodate up to ten persons. There is a spacious living area with an open fireplace, a cosy combined kitchen and living room, two bedrooms on the ground floor, with a large bathroom with WC and shower with WC. Individual flyer available upon request.

The surrounding vicinity offers plenty of opportunities to relax: Water sports and swimming are possible in the emerald green Lake Wolfgang.

Children can enjoy the **Spielarena-Wolfgangsee** (Play Arena of Lake Wolfgang) at the Bürgelstein. There is playground equipment, a climbing park, skateboarding, beach and volley ball, badminton etc.

Horse-riding is offered by our neighbour Reiterhof Suassbauer.

The „GRÜNE AU“ is an ideal starting point for a **cycling tour**. It is pleasant to come here during „farmer's autumn“ while the trees are changing colour and local events are taking place.

October and September are the best months for **hiking** and **mountain-nering**. You can start directly from our house. You can walk via the **Vormauer** (1.450 m, foto to the right) to the **Schafberg** (1.783 m), where you can enjoy a great view. You will have a 360 degree panoramic view up to the 3.000 m mountain peaks

of the majestic Alps. Seven lakes lie in front of you. You can also reach the top of the **Schafberg** with its observation platform by taking a ride with Austria's oldest and steepest rack-and pinion-railway which has been in operation since 1893, or with the authentically restored „**Kaiserzug**“ (Imperial Railway) with its famous, historical steam engine Z1.

Other formidable mountain peaks are the **Wieslerhorn**, 1.603 m, the **Zwölferhorn**, 1.522 m, the **Hohe Dachstein**, 3.004 m and many others.

You can go on exciting **day trips**

- to **Bad Ischl**: to the Imperial Palace of Franz Josef I.;
- to **Hallstatt**: one of the world's oldest sites of cultural interest, UNESCO World Heritage Site, with the world's oldest salt mine and ice and mammoth caves;
- to the charming city of **Salzburg**: the house where **W. A. Mozart** was born; or to **Berchtesgaden** and Obersalzberg with a museum displaying the history of the NS dictatorship.
